## Estate Riesling 2015

A family owned vineyard, nestling among farm land, just north of the Frankland Gordon River. This unique éterroir has spectacular views to the Stirling Ranges and is the most northerly vineyard in the region. It all starts in our vineyard, part of a long history with the land here. The Trevelen Farm vines were established as an extension to the farm in 1993, our wines are the result of a passion for growing excellent fruit.

### TASTING NOTES

Vibrant, pale straw. Lifted, complex. Seamless, vibrant, multi-faceted, flinty lemon barley, crunchy red apple and Meyer lemon, with a sustained flavoursome dry finish.

### WINEMAKING

The Trevelen Farm practice is to pick grapes at optimum ripeness. Therefore, great care is taken at vintage time to ensure the pH levels are satisfactory, (and rising), with actual taste testing and frequent testing. This wine was cold fermented in stainless steel and bottled early to retain aromatics and its fruity characteristics.

### AWARDS

95 Points - Halliday Wine Companion  
4 Stars - Winestate Magazine  
Silver - 2015 Perth Royal Show  
Silver - 2015 International Riesling Challenge

### VITICULTURE NOTES

An above average winter and spring, with quite a dry, mild summer. The vine growth was very good, with little disease pressure once spring spraying was completed. Crop levels were very good. A soft finish to the ripening of the Riesling gave this vintage the opportunity to be one of the best yet
