

trevelen farm

Estate Riesling 2021

A family owned vineyard, nestling among farm land, just north of the Frankland Gordon River. This unique éterroir has spectacular views to the Stirling Ranges and is the most northerly vineyard in the region. It all starts in our vineyard, part of a long history with the land here. The Trevelen Farm vines were established as an extension to the farm in 1993, our wines are the result of a passion for growing excellent fruit.

TASTING NOTES

Vibrant pale straw. Lifted and complex. Seamless, vibrant, multi-faceted and flinty. Lemon barley, ripe lemon and Meyer Lemon, predominate with a sustained flavoursome dry finish.

WINEMAKING

The Trevelen Farm practice is to pick grapes at optimum ripeness. Therefore, great care is taken at vintage time to ensure the pH levels are satisfactory, (and rising), with actual taste testing and frequent testing. This wine was cold fermented in stainless steel and bottled early to retain aromatics and its fruity characteristics.

AWARDS

GOLD - 2021 Perth Royal Show
SILVER - Wine Show of WA
SILVER - Australian Small Winemakers Show

VITICULTURE NOTES

A above average Winter and Spring with a quite dry, mild, summer with very good vine growth and little disease pressure, once spring spraying was completed. Crop levels were about 66% of the average we expect, year on year. A soft finish to the ripening of the riesling gave this vintage the opportunity to be of excellent quality.
