

trevelen farm

'The Tunney' Cabernet Sauvignon 2018

A family owned vineyard, nestling among farm land, just north of the Frankland Gordon River. This unique *terroir* has spectacular views to the Stirling Ranges and is the most northerly vineyard in the region. It all starts in our vineyard, part of a long history with the land here. The Trevelen Farm vines were established as an extension to the farm in 1993, our wines are the result of a passion for growing excellent fruit.

TASTING NOTES

Deep rich red. Very lifted and aromatic with youthful purple hues. Smooth and full bodied with a palate of ripe red berries, aniseed, liquorice and ripe redcurrant fruit. The wine finishes very dry with fine long tannins and the influence of tight grained premium French Oak Barriques. This wine has texture.

WINEMAKING

Trevelen Farm practice is to pick grapes at optimum ripeness. Therefore, great care is taken at vintage time to ensure the pH levels are satisfactory (and rising), with actual taste testing and frequent testing. Matured in a mixture of French Oak barriques, for 24 months .

VITICULTURE NOTES

An average Winter and Spring with a quite dry, mild summer. Very good vine growth and little disease pressure was delivered. A soft finish to the ripening gave similar flavours to recent years, but with far more aromatics. The vintage a little below in yield with good quality fruit achieved.

QUICK NOTES

Vintage: 2018
Winemaker: James Kellie
Grape Variety: 100% Cabernet Sauvignon
Bottled: February 2020
Growing Area: Estate grown, Great Southern
Alc: 14.5 %
pH: 3.61
